## Regional School Liaison Officer for South Wales

*"Happy New Year! Welcome back, I hope you had a restful break and a lovely Christmas. This term, I'm looking forward to working with more schools in South Wales to support them achieving their Armed Forces Friendly Schools (AFFS) Cymru status. It has been exciting to see schools in the South working towards their next status, and schools who are just starting their journey with AFFS. It has been amazing to see the experiences and opportunities this has provided your Service children. If you would like more information about becoming an Armed Forces Friendly School, please don't hesitate to get in touch, I would love to hear from you!"*

*This month, we have the South Wales Armed Forces Festival for Service children and their peers on 23rd January at Maindy Barracks, Cardiff. This will be such an amazing day to celebrate our Service children here in South Wales and bring them together. If you would like your Service children to attend, please let me know ASAP as numbers are filling up – we can't wait to see you all there!"*

## Participation Lead Officer

*"Blwyddyn Newydd Dda! I hope that you all enjoyed your festive break and are refreshed and ready for a New Year. As we start another year and look forward to the Spring term it allows us to refocus and consider starting new projects. I was pleased to connect with a few schools in Wales towards the end of last year, who were keen to participate in setting up new Little Troopers (Primary) or Forces Life Clubs (Secondary) at their schools, to bring their Service children/young people together and discover more about this group of students and their unique way of life and experiences. If your school would like to take up the opportunity to do the same and show how you support your Service children/young people and would like some guidance on how to make a start, then please do get in touch with me or your Regional School Liaison Officer. We look forward to hearing from you."*

SSCE Cymru's Armed Forces Friendly Schools (AFFS) Cymru initiative was launched in 2022. Schools in Wales complete a series of activities and actions that are linked to the SSCE Cymru School Checklist, including some compulsory elements, in order to achieve their Bronze, then Silver, then Gold status. The objectives are to embed good practice for supporting Service children, create a positive environment for Service children to share their experiences and encourage schools to become more engaged with their Armed Forces community.

**This month, we are pleased to congratulate the following schools for achieving their Bronze AFFS Cymru status:**

Ysgol Y Felin (Carmarthenshire)  
Llanwern High School (Newport)

**Congratulations** to all schools who have achieved their Armed Forces Friendly Schools Cymru status. So far, 20 schools have achieved their Bronze status, 5 schools have achieved Silver and 3 schools have reached Gold!!!

## SSCE Cymru E-learning

The SSCE Cymru team are very excited to be in the process of working with Walkgrove Ltd to develop a NEW on-demand, bi-lingual, e-learning training package on 'Supporting Service children in education in Wales', based on the content of the CPD sessions which have been successfully delivered by the RSLOs over the past few years.

LAUNCHING  
SOON!

## SSCE Cymru data collection

Last year's data held by SSCE Cymru indicate that over 35% of schools in Wales have Service children enrolled, with around half of those having only 1 or 2 Service children.

SSCE Cymru would like to ensure we have a strong understanding of the number and location of Service children in Wales. Therefore, we are requesting that all schools, if they haven't already, complete the digital form [here](#) to provide us with the most accurate record.

We kindly ask schools complete this no later than **31st January 2024**.

To support you with this activity we would recommend your school consider using the SSCE Cymru [Tool 4 \(Template letter to parents/carers\)](#) or use a free online survey tool (e.g. Microsoft Forms) to collate the data.

Please liaise with your [Regional School Liaison Officer \(RSLO\)](#) for support.
