

MONTHLY SCHOOL BULLETIN – JANUARY 2023

Regional School Liaison Officer for North Wales

"Welcome back! I hope you have all had a lovely Christmas break and a Happy New Year! SSCE Cymru have many projects upcoming this year, including exciting plans to celebrate Month of the Military Child during April. We will be sending out further communications about this shortly and are looking forward to see how schools will get involved. It would also be fantastic to see more schools from the North working towards their bronze Armed Forces Friendly Schools Cymru status this year as it is great opportunity for schools to further develop and enhance their support for Service children and engage with the Armed Forces community. Please get in touch if you would like to know more about what is going on in your area or to start working towards your status. I would love to hear from you!"

Participation Lead Officer

"Happy New Year! As we start the new year and move forward into the Spring term it allows us to refocus and consider starting new projects, things to develop over the rest of the academic year. I enjoyed engaging with a few schools in Wales towards the end of last year, who are already participating in the Primary and Secondary Well-being courses, designed by Little Troopers. I'm looking forward to hearing how they are getting on over the next few weeks and what they've discovered about their Service children and their unique experiences. If your school would like to take up the opportunity to run this course and show how you support the Service children who attend your school, then please do get in touch."
