

MONTHLY SCHOOL BULLETIN – NOVEMBER 2022

Regional School Liaison Officer for West Wales

“This year we have some exciting opportunities lined up for schools and Service children including Month of the Military Child celebrations in April, funding for school projects and training opportunities. Please get in touch if you would like to learn more about how your school can utilise the Welsh Government funding to support Service children.”

Participation Lead Officer

“We are delighted that five Armed Forces Friendly Schools from across Wales have accepted our invitation to participate in the Little Troopers well-being course throughout this term. The course has been created to be delivered within a school setting and is for all Service children; giving them the opportunity to talk, feel listened to and gain a sense of inclusion. If your school is interested in participating in the Primary or Secondary school Little Troopers well-being course, then please contact us.” Jo, Joanna.wolfe@wlqa.gov.uk
